'Dreams Come True'

**What is it?**

The Young Learners' Art Competition is held annually in British Council teaching centres for learners aged up to 15 years old. Our learners produce artwork on a different theme each year and they are judged locally under three age groups: age 8 and under, age 9 to 11, and age 12 to 15. The three winning entries from each teaching centre are then sent to the Asia team to be judged in the Asia Young Learners' Art Competition.

**Young Learners' Art Competition**

The 2024 competition theme was Dreams Come True. We received entries from our teaching centres across Asia and judging took place online in October to decide which pieces of art would appear in the 2025 desktop calendar. This year's judges included members of British Council Academic Management and their teams.

We hope you enjoy this year's calendar!
