# ASEAN TeachingEnglish Online Conference 2023 - Schedule

## Week 1: 5-7 October

| Date | Time | Theme | Topic | Speakers | Session in brief |
|---|---|---|---|---|---|
| Thursday, 5 October | 7-8pm | Taking responsibility for your own professional development | Teacher agency: doing our own thing | Penny Ur | Learn about how we, as teachers, can balance our own agency, expertise and decision making with the constraints of our job, such as curriculums and exam preparation. |
| | 8.15-9.15pm | | Integrating Art, Culture and Creativity into Professional Development | Dr. Lavinia Hirsu and Ánh Nguyễn Ngọc | Learn about how teachers in Vietnam integrated arts-based language-learning and professional development into their practice and find out how you can take what they learnt into your classroom. |
| Friday, 6 October | 7-8pm | Practical teaching tips (Knowing the subject) | Evidence based suggestions for mitigating word final /s/z/ deletion in Vietnamese learners of English | Dr Steve Disney, Le Nu Cam Le and Nghia Nguyen | Hear about a project that looked at common pronunciation errors in Vietnamese young adult learners of English, especially around word final /s/ and /z/ and discover how you can structure your own classroom pronunciation practice. |
| Saturday, 7 October | 1-2pm | Taking responsibility for your own professional development | Non-judgmental Dialogues: Teachers talking to each other for professional development | Khoa Nguyen Dang Do (Khoa Do), Ha Nguyen Thi Hong (Ha Nguyen) and Thanh-Trung Ngoc Le | Cooperative Development (CD) is all about sharing your experiences, insights, and challenges with trusted peers. Learn how this model of professional development can help you and your peers support and learn from each other. |
| | 2.15-3.15pm | | Panel discussion - Why teachers should be called "teacher researchers"? | Teacher researchers from Thailand | Hear from our panel in Thailand, on how classroom research can help to improve teaching, learning and assessment. |
| | 3.30-4.30pm | | Reflective practice in teaching and learning | Suong Hoang | In this practical workshop you'll focus on becoming a reflective practitioner, through reflection, and discussions with your peers. |

## Week 2: 12-14 October

| Date | Time | Theme | Topic | Speakers | Session in brief |
|---|---|---|---|---|---|
| Thursday, 12 October | 4-5pm | Assessing learning | Providing Effective feedback for Writing | Khaing Khaing Tin | Learn how you can give your students effective, constructive feedback on their written work. |
| | 5.15-6.15pm | Practical teaching tips (Knowing the subject) | Practical Pronunciation Teaching | Mark Hancock | Learn how pronunciation teaching and learning can be both enjoyable and useful, and experience several different classroom activities. |
| Friday, 13 October | 4-4:30pm | Taking responsibility for your own professional development | Micro Learning for Maximising English Teachers Professional Development | Dadan | Find out all about microlearning – a bite sized approach to developing your skills as a teacher – and how you can use it in your professional development. |
| | 5-6pm | Practical teaching tips (Knowing the subject) | The What, How and When of Dealing with Emergent Language | Leandra Dias Meddings | Learners do not come to class as a blank page. They bring with them all sorts of schematic knowledge that can be used to their benefit when learning a language. This presentation aims at exploring the what, how and when of dealing with the language that emerges from students during the course of a lesson. |
| Saturday, 14 October | 1-2pm | Taking responsibility for your own professional development | Cooperative Development: An Accessible Approach to Professional Development for Teachers | Phyo Wai Tun | Learn about cooperative development, a collaborative approach to your own professional development, where you work with your colleagues to support each other, share ideas and shape your own professional development journey. |
| | 2.15-3.15pm | Assessing learning | Effective feedback for students better performance in speaking classes | May May Win | Learn about effective techniques for giving your students feedback on their speaking, including the use of assessment criteria. |
| | 3.30-4.30pm | Sustainable Development Goals (SDG) and the Environment | Tackling The Climate Crisis Through ELT | Neil Harris, Harry Waters and Dr.Thao Thi Huong Dang | Find out how teachers in Vietnam are raising awareness of the climate crisis and developing a changemaker mindset among their students and be inspired with ideas to take back to your own classroom. |
